

# 13th International Conference of the French Association of Experimental Economics Montpellier, May 25-26, 2023

## Call for Papers

The 13th International Conference of the French Association of Experimental Economics (ASFE) will be held in Montpellier on May 25-26, 2023. It is organized by the Center for Environmental Economics – Montpellier (CEE-M).

The conference will provide an opportunity for researchers to present results of laboratory and field experiments. It will cover all topics regarding behavioral and experimental economics, e.g. decision theory, game theory, institutions and markets, neuroeconomics, and others. Methodological and theoretical papers dealing with experimental and behavioral issues are also welcome. Preliminary work concerning proposals for experimental designs can be submitted to the poster session.

Organized sessions are welcome. Please send us an email in case you want to organize a session at the ASFE meeting.

## Location

The conference will take place at the Faculty of Economics, University of Montpellier, site Richter, avenue Raymond Dugrand, which is located in one of the central areas of Montpellier.

Further information regarding the conference dinner,

## Submissions

Please submit an extended abstract for “oral” or “poster” presentation using the conference website by XXX.

## Important Dates

- Abstract submission opens: January 11
- Abstract submission closes: March 14
